

JOYFUL REPORT OF PROGRESS

Looking back to the end of 2011, we can say that The Precious Foundation successfully raised a good amount of money from the charity sponsored walk, led by Chistopher Cross, through the lovely surroundings of St Albans/Hertsfordshire on the 5th November. The day ended with fellowship over a delicious international buffet and colourful fireworks. Though not many people attended the walk we still managed to raise the amazing sum of £700.

Furthermore, still in 2011, we donated food, drink, clothes and stationary to the Abuja Children's home. In addition, we received a bundle of good quality children's clothes which were then sent to the "City of Refuge Orphanage" in Abuja, Nigeria.

The Precious Foundation's next mission was the Face2Face concert in February 2012 with the theme 'Celebrating Love'. After a few months of phone calls and hard planning by the charity's founder Tope Teniola, The Precious Foundation is pleased to announce that the concert was a great success. We raised a whopping total of £1,300! We would like to give a big thanks to all who attended this memorable evening as well as to those who helped to make it all happen. We would like to give a special thanks to Emmanuel North West Church for providing the venue for the evening and supporting Tope throughout.

Finally we would like to give our biggest thanks to the Face2Face team, as the event would not even have happened without their gifted talents. We trust they will continue to bless others the same way we were blessed.

Here are some of the testimonies we received from those who attended and were moved by their wonderful performance:

"The Face2Face concert was excellent. The pieces of music really stirred the emotions, and the testimonies just reinforced the importance of having a personal relationship with Jesus. I would recommend that anybody, Christian or not, take the opportunity to see Face2Face in concert for themselves, as it is an enjoyable as well as thought provoking experience." - Andrew Hoare

"I have never heard testimonies so powerful from them ever before unlike this event." - An attendee of Face2Face concerts for 8 years.

"Face2Face was a brilliant night out with a fantastic band and a superb atmosphere, the night itself couldn't have gone any better. The night was very well organised from start to finish plus knowing the money went to a charity to help orphans in Nigeria only makes the night even better." - John Gribbon

"A shining performance by a group of people who love God. I see love flowing from them into the audience. Well done." - Sharon

Praise God, we are pleased to announce we have now raised the necessary £2000 to be able to register the new orphanage in Nigeria. Please pray for us as we proceed. Thanks again for all of your support and may God bless you.
